

## ACCREDITATION & ACADEMIC EXCELLENCE

LHS provides a unique educational environment in which students are empowered to find identity, meaning and purpose for their lives in Christ while developing individual talents, skills and attitudes to achieve academically and make thoughtful Christian decisions.

LHS is regionally and nationally accredited by the Lutheran Schools Accreditation Commission, which is recognized by the Commissioner of Education of the Texas Education Agency (TEA). LHS is a member of the Texas Association of Private and Parochial Schools (TAPPS), the Independent Schools Association and the Association of Lutheran Secondary Schools (ALSS).

Our goal is to provide an educational environment of acceptance that empowers and engages students to succeed academically. By providing students with a strong moral and spiritual foundation, students excel in every measure of academic achievement — including ACT composite and SAT test scores above state and national averages. In recent years, LHS graduated a National Merit Scholar, National Commended Scholar and a National Merit Commended Hispanic Scholar. In fact, 98 percent of students graduating from LHS go on to universities across the country, and those who receive scholarships average \$20,000 per award.

## FACULTY & CURRICULUM

At the heart of our school are people sharing the loving message of our Lord Jesus Christ in everything they do. LHS is blessed with a highly qualified and trained faculty that is dedicated to the individual academic and spiritual growth of every student. While providing a secure and comforting setting, each faculty member is enthusiastic about teaching and encourages active involvement in learning.

Our academic program exceeds the standards outlined by the TEA. The LHS core and elective curriculum is extensive, and in most subjects, students may participate in regular, honors or advanced placement (AP) courses. Typically, students will carry eight classes in a modified block schedule, and our small class sizes allow for personalized attention and instruction.

## ASSOCIATION

As the city's only Lutheran High School, LHS is supported by six area congregations of the Lutheran Church Missouri Synod forming the Lutheran High School Association.

## EXTRA-CURRICULAR PROGRAMS

A host of extra-curricular activities and athletic programs encourage student participation outside of a formal setting and enable them to develop self-confidence, refine personal talents and socialize together through service to others. The opportunity afforded students at LHS to experience a variety of extra-curricular activities and athletics facilitates their successful transition to higher education, the workforce and society.

We continuously develop and maintain a wide range of extra-curricular activities and athletics to accommodate varying student interests, as well as a range of clubs and service organizations that enhance our co-curricular programs.

### Activities

Whether expressed in the lyrics of a song, the beat of a drum or the stroke of a paintbrush, performing and visual arts activities help students explore emotions, express individuality and grow as Christian men and women. By offering a rich variety of opportunities for students to express themselves creatively, LHS provides a well-rounded educational experience.

- Band
- Choir
- Drama
- Fellowship of Christian Athletes
- National Honor Society
- Newspaper
- Service Clubs
- Spiritual Life
- Student Council
- Yearbook

## Mustang Athletics

Athletics are an essential component of the total LHS experience. We encourage our students to participate in athletics to learn the value of Christian sportsmanship while developing physical skills, leadership abilities and personal character. Additionally, because we believe academic and athletic success go hand in hand, our coaching staff works hard to help each student achieve his or her full potential whether on or off the field.

LHS athletic teams compete within the TAPPS division. Proud and competitive, the Mustangs regularly win league, regional and state championships, and numerous individual athletes have earned athletic scholarship as well as all-district and all-state recognition.

### Boys' Sports

- Baseball
- Basketball
- Cheerleading
- Cross Country
- Football
- Golf
- Soccer
- Tennis
- Track

### Girls' Sports

- Basketball
- Cheerleading
- Cross Country
- Golf
- Soccer
- Softball
- Tennis
- Track
- Volleyball

## ADMISSIONS

A parochial Christian School, LHS welcomes students of all faiths. Students are admitted to attend LHS on the basis of academic records, pre-enrollment testing and recommendations from teachers, counselors, pastors and principals. Students are also considered based on available space, order of registration and personal interviews. Transfer students should be in good standing from their previous schools and must have updated transcripts of class credit prior to acceptance. Foreign exchange students must complete the standard admissions package.

## DIVERSITY

LHS admits students of any race, color, national and ethnic origin to all the rights privileges, programs and activities generally accorded or made available to the students of the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, employment practices, admission policies, scholarship and loan programs, athletic and other school administered programs.

## TUITION • SCHOLARSHIPS • FINANCIAL ASSISTANCE

Please contact the LHS business office for more information and current tuition rates.

## SITE VISITS

You are invited to visit the beautiful LHS campus to see how God has blessed our ministry. We welcome you to meet our teachers, ask questions and see first-hand what we have to offer.

**CAMPUS**

Lutheran High School (LHS) — nestled on a scenic and peaceful, 54-acre hill country campus off IH-10 west, just south of Camp Bullis Road, is an ideal setting for academic excellence.

**NEW & PLANNED FACILITIES**

Through the receipt of a \$3 million grant from Bill and Louree Greehey, through the Greehey Family Foundation, LHS has begun construction of phase one expansion of the campus including approximately 40,000 square feet of classrooms, cafeteria, gymnasium and other athletic amenities. The building, which is scheduled for completion in spring of 2009, will house the school's new band and choir rooms, art room, biology, physics and chemistry labs, classrooms, cafeteria, gymnasium, weight room and locker rooms.

Future planned facilities include additional classrooms, athletic fields, auditorium, library and media center, full-service cafeteria and administrative office.
