

LUTHERAN HIGH SCHOOL

UPON THIS ROCK ...

Seven years ago the Lutheran High School board developed a five-year strategic plan that included a move to a new permanent location. In 2005, LHS launched the “Upon this Rock” capital campaign and we raised nearly \$1 million, which allowed LHS to acquire our current 54-acre property.

This year, LHS received a generous and transformational \$3 million gift from The Greehey Family Foundation to fund new construction of Phase I of the school’s campus. The donation — the single largest gift ever received by LHS, is being used to construct the campus’ first, new permanent structure to include classrooms, dining area, gymnasium and athletic facilities and amenities.

LUTHERAN FOUNDATION POURING

Join us in celebrating this special milestone as we lay the foundation of Lutheran High School’s first, new permanent facilities that will enable LHS to continue a tradition of academic excellence for generations to come.
